

# Tiffany GARRARD

**Expert in AI-Driven Productivity & Innovation**

## Biography

Tiffany Gerrard is the visionary founder of The AI Chic, a platform dedicated to bridging the digital divide in underserved communities, particularly within Black and Brown communities. Recognizing that technology often feels like an Achilles' heel for many, Tiffany empowers individuals through education, hands-on support, and workshops that demystify tools like ChatGPT. Her mission is to make technology accessible and practical, enabling participants to enhance productivity, streamline workflows, and improve professionalism.

As a sought-after public speaker and corporate trainer, Tiffany extends her expertise to businesses, helping them integrate AI effectively into their operations. Her engaging approach inspires individuals and organizations to embrace technology with confidence, showing how AI can become a powerful ally in achieving personal and professional success. Through The AI Chic, Tiffany Gerrard is breaking barriers and empowering communities to thrive in with AI.
